Re : NSWJBL Coaching Positions

NSWJBL is seeking expressions of interest from coaches for positions with our Winter Touring Program.

Invitations are invited for officials (coach and assistant coaches) with the following tours:

- Under 12 Team to Niigata, Japan – approximately 7 days early August
- Under 13 Team to Osaka, Japan – approximately 7 days July/August
- Under 15 Team to USA – 10 days early August
- Under 16 Team to Europe – approximately 14 days July

Interviews for any of these positions will be conducted if there is an excess of applications for any one position.

All applicants should be currently involved in Junior Baseball within NSWJBL. While it is not our preference there may be some duplication of people appointed to more than one position because the quality and experience of the coaches and managers remains of paramount importance.

We would expect appointed coaches and assistant coaches to be involved in selection trials to be held on a Sunday although the coaches will not be the sole selectors. **Trials will commence on Sunday 26 February 2012**

Expressions of interest in the above positions close with the League at the above address on 8 February 2012. Please attach the nomination form below to your resume.

Manager positions will not be decided until the teams are selected.
