

Your club is a member of NSWJBL so YOU have these opportunities.

We want to take this opportunity to ensure that you know about the trials that will take place in February / March for overseas baseball tours conducted by NSW Junior Baseball League Inc.

More details on the tours are on the NSWJBL website (www.nswjuniorbaseball.com.au) and on the NSW Junior Baseball Facebook page. Check it out. These tours are not just for the established representative players. A wide range of players benefit each year from the training and experience of these tours. Every year many people from other Associations are disappointed because they did not know in time to trial.
