

Results Ladder, Summer 2023/24

Data Input Worksheet

This report is for League Week: 24 Results up to: 16/03/24

Table with columns for Conference, Club, Team, Points, Win, Draw, Loss, Bye, NG, For, Against, Run diff., and Round (1-24). It contains 12 sub-tables for different leagues: 12U Phil Leonard South, 10U Jim Bergan Minor League West, 10U Jim Bergan Minor League South, 9U Don Petroff League, 9U Col Daisley League North, 9U Col Daisley League West, 8U Wendy Vigenser League West, and 8U Wendy Vigenser League North. Each sub-table includes a 'STATUS >>' section and a 'Season to Date' section.

Notes:

- 1) Before trusting your team's reported position on the ladder, check the Status: - If "Season-to-Date" shows anything except "Final", there are missing results.
2) Your team's pointscore may include results from a previous conference if it has been re-graded.
3) This report does not automatically split teams who are tied. The Run Differential is for information only. You will need to do a manual calculation as per the Rules for head-to-head results vs your opponents to resolve this, especially as the Playoffs approach.
4) Team Name >> Blue backlighting means re-graded out of this conference.
