Notes:

- Before trusting your team's reported position on the ladder, check the Status:-
- If "Season-to-Date" shows anything except "Final", there are missing results.
- Your team's pointscore may include results from a previous conference if it has been re-graded.
- This report does not automatically split teams who are tied.
The Run Differential is for information only.
You will need to do a manual calculation as per the Rules for head-to-head results vs your opponents to resolve this, especially as the Playoffs approach.
- Team Name** >> Blue backlighting means re-graded out of this conference.
